Super Narrow Bezel LCD Display

Reliable, durable and dust-resistant.
Save money, save space with built-in speakers.
Brighter lights, better picture.
A cool way to ensure longevity.

The Samsung UT series 460UT-B super narrow bezel display designed to suit various demands. 460UT-B feature bezels of just 2.4mm on the bottom and right, and 4.3mm on the top and left, for a total of 6.7mm bezel to bezel enabling video walls are virtually seamless. Simple video matrix installation is possible with embedded video wall feature, supporting max. 10 x 10. The samsung ID stand (MID462-UT2) enables multiple UT series LFDs to be simply stacked just like bricks. The specialized W/M accessary WMN460UTD enables LFDs to be added to and removed from the video matrix already set. White Balance adjustment option enable ensure correctly colored video wall as a whole. The built-in computer and MagicInfo™ software make it easy to control content over LAN / WAN. Up to 100 LFDs are able to connected as Digital Loop out of HDMI, DVI and Display port with equal picture quality of full HD quarranteed. The RJ45 LAN MDC feature offer the powerful remote controlling with the present RS232C daisy chain MDC. Small sensor kit (CY-EBIS) can be put on the edge of product to sense ambient brightness and recieve remote controller signal.

Reliable, durable and dust-resistant.

Introducing a monitor that was built to stand the test of time—and dust. This Samsung LFD is durable and dust-resistant. Corner-sealing design, double-layer structure, and screw and user hole sealing add to its ruggedness. Make sure dirt and dust don't stand in the way of getting your message

### Save money, save space with built-in speakers.

Maximize your impact with a great picture and crisp audio. Your message will be heard loud and clear with built-in speakers. You'll save money when you eliminate the cost of purchasing separate speakers, and you'll save valuable space as well.

Brighter lights, better picture.

With an intensely illuminated DID panel your message is always in the spotlight. Its high brightness and contrast level make the screen clear and readable in public. In fact, on average it's 1.5 times as bright as TV screens. Plus with a low operating temperature this Samsung LFD will be completely

A cool way to ensure longevity.

Enjoy continuous, reliable operation thanks to a built-in fan control. Housed inside of the LFD, the fan guarantees you can count on it for years to come without worrying about it overheating. You can even control the fan with an easy-to-use on screen display.

reliable for years to come.

A video wall that lives up to your standards

Create the ultimate video wall with Samsung LFDs that cater to your needs. And because this LFD has an embedded video matrix processor, it supports 1 x 1 to 10 x 10 wall formats, allowing you to enjoy total convenience. Best yet, since they need no additional support, the possibilities are almost endless.

Choose the right view, landscape or portrait.

This Samsung LFD gives you the flexibility to display your image vertically or horizontally—whatever the situation calls for. With a pivot function that rotates the screen 90°degrees and the freedom to display presentations in portrait mode or advertizements in landscape mode, this makes for one versatile monitor.

Panel	Diagonal Size	46"	
	Type	S-PVA (DID)	
	Resolution	1366 x 768
